HSF Gala & Auction 2016

Saddle up for another fantastic evening!

On the heels of last year's record-breaking night, HSF's annual gala and auction is set for **Saturday, February 20, 2016**. A Kentucky Derby-inspired

theme will provide for an array of fun events throughout the night, with incredible items available in both the silent and live auctions. Enjoy a great meal, delectable wines, and even a sip or two of a southern "signature cocktail," all while spending the evening among friends.

Each and every year, HSF's annual gala and auction provides a significant source of revenue for the Foundation, with proceeds going toward innovative grants and afterschool programs. Last year's increase in revenue allowed HSF to kick-start our STEM Kits initiative for Hillsboro's elementary schools. Please help continue our progress and support the next generation of scientists and engineers!

What more encouragement do you need? Dinner, drinks, and dancing? Check! A fun evening with friends? Check! Providing a huge impact for local public school students? Check! The stakes are high and we look forward to spending an evening with you, working together to provide all of our students a leg up!

Fall Fun

Spreading Modness

Mod Pizza will donate \$1 to HSF for every pizza sold during Thanksgiving holiday week – Tuesday, November 24 – Sunday,

November 29. Add a buck on Friday to double your impact!

#GivingTuesday December 1, 2015

First there was Black Friday and then there was Cyber Monday...now there is #GivingTuesday—a worldwide movement to garner support for non-profit giving. Please make your safe and secure tax deductible donation on December 1 at hsfonline.org.

HSF Night at Portland Trail Blazers vs New York Knicks Saturday, December 12 at 7pm

Go to rosequarter.com/hsf and enter the code HSF for special pricing and features. Tickets start at \$19.
