

Education is not preparation for life; education is life itself.
-John Dewey

Over it's 20+ years, HSF has invested nearly \$5 million in Hillsboro teachers and students through Innovative Grants, STEM Funding, HS Activity Clubs and Homework Clubs. Our current multi-year initiative is helping fund elementary school career awareness kits for K-6.

There is an incredibly convenient way for employees of the Hillsboro School District to donate to the Hillsboro Schools Foundation through your regular payroll deductions. You can simply complete the pledge form below and let us do the rest. We suggest a donation of \$10 per pay period or \$120 per year - we appreciate any amount you see fit.* Thank you for your consideration!!

*minimum recurring donation amount is \$5

To learn more about HSF in your school, go to hsfonline.org

Thank you so much for all you do!
